Gin List

All Gin's priced at £4.50 per 25ml

Monkey 47 Dry Gin

An unusual gin from the Black Forest in Germany, the 47 comes from the number of botanicals that go into this gin, and the fact it's bottled at a healthy 47%. Predictably complex, this is a robust and powerful gin with plenty of spice, fruit and herb flavours.

Julie's Favourite Gin!

Tanqueray Sevilla Orange Gin

Travels to the sun-soaked groves of Spain in the 1860s inspired the creation of a unique gin liqueur using Seville oranges. Made with bittersweet Seville Oranges to deliver a fruitful and zesty taste. A uniquely enjoyable yet complex gin.

Shropshire Tiger Gin

The brainchild of Shropshire businessman JJ Lawrence, this Juniper –based gin is complex yet strikingly smooth and sweet! The palate encompasses floral, fruity and spice while being fabulously fragrant.

Hendricks Gin

Hendrick's Gin is a small batch gin distilled in Ayrshire, Scotland. Infused with Bulgarian Rose and Cucumber, no other gin tastes like it because no other gin is made like it...perfect with elderflower tonic.

Brockmans Gin

Angelica from Saxony, Bulgarian Coriander and Juniper berries from Tuscany. These traditional gin notes are combined with a refreshing influence of citrus and aromatic wild berry. This creates an intensely smooth gin that is sensual and daringly different.

Larios Rose Gin

Larios Rose Gin uses fresh strawberries to give it its pink colouring and fruity flavour. The addition of strawberries in this gin compliments the juniper and citrus notes that the standard Larios Gin is famed for.

Salcombe Gin

The iconic 'Start Point' lighthouse marked the beginning of the 19th Century voyages of the Salcombe Fruit Schooners which carried exotic goods, fruits and spices that inspire this gin's flavour. This classic citrus led gin is elegantly smooth, distinct and complex.

Whitley Neill Rhubarb & Ginger Gin

A handcrafted Gin of exceptional quality inspired by the glory of the English country garden. The essence of Rhubarb adds a tart crisp edge, to the smooth English gin base, whilst the real ginger extract warms the palette for a full bodied complex finish.

Bombay Sapphire

Bombay Sapphire's name derives from the gin's popularity during the British Raj in India. Triple distilled it has stood the test of time and continues to deliver that soft peppery warmth and subtle sweetness it is so well known for.

Williams Chase Elegant Gin

Pressed from organically grown cider apples, fermented into cider, then distilled into vodka then re-distilled into gin by infusing eleven carefully selected wild botanicals with naturally pure water taken from a aquifer that runs underneath the orchards.

Cotswolds Dry Gin

A delectable blend of pure wheat spirit infused with nine carefully considered botanicals finished with naturally refined Cotswold water. The result is a classic well-balanced juniper-led gin with crisp citrus and spice. Incredibly smooth with a visual twist to boot.

Plymouth Sloe Gin
